

Your Complete Rail Solutions Provider

For over a century, the A. Stucki Company has been a cornerstone of the rail industry. We've built a legacy of innovation and excellence, providing highly engineered parts and systems for freight cars, locomotives, and beyond. Our decades of experience and deep understanding of the unique demands of the transportation sector drive our desire to be your partner in rail transportation.

We deliver high-quality solutions – from precision-engineered components to comprehensive maintenance services – that enhance efficiency, improve safety, and maximize the lifespan of your rail assets.

At the heart of our success lies a commitment to build enduring partnerships with our customers. Our team's dedication is to deliver the best service possible, fostering long-term growth for our company and our valued customers.
