LARGEST RECONDITIONER IN THE U.S.

A. Stucki Company leads the nation in distributing, manufacturing, and reconditioning locomotive and freight car draft gears.

GET YOUR PARTS FAST

Using North America based vendors allows for quick 3 – 5 day turnaround times vs. the 30 day industry standard.

PROGRAM WORK

Our Program Work can be a game changer. Ask us how our in stock draft gears can help jumpstart your changeout programs.

LET'S FIND A SOLUTION TOGETHER.
