- Superior seal.
- Saves time, labor, and reduces accidents.
- Lockable hardware.
- Conversion arrangements available.

PROVEN RECORD OF PERFORMANCE

A cover significantly lighter than steel and fiberglass hatch covers at only 22lbs. UV stabilized material is effective in all climates and weather conditions. With millions of our covers in service over the past 20 years, the material quality and flawless design speak for itself.

With conversion arrangements available for every major car manufacturer, Stucki can meet your vented and non-vented hatch cover needs.
