

UHMWPE Reinforced Blind Flange

TANK CAR

3" Blind Flange

Part Number: HS3150BFRPE

FEATURES & BENEFITS

- UHMWPE encapsulated steel.
- Full corrosion resistance, wetted and non-wetted surfaces.
- 2", 3" and 6" sizes available.
- AAR approved design.
- Textured gasket face for leak free seal.
- Possible chain attachment.
- UV inhibited for longer life.
- High abrasion resistance.

2in

(4) $\frac{3}{4}$ " Bolt Holes on 4 $\frac{3}{4}$ " Bolt Circle

Part Number: HS2150BFRPE

3in

(4) $\frac{3}{4}$ " Bolt Holes on 6" Bolt Circle

Part Number: HS3150BFRPE

6in

(8) $\frac{7}{8}$ " Bolt Holes on 9 $\frac{1}{2}$ " Bolt Circle

Part Number: HS6150BFRPE

Stucki's corrosion and abrasion resistant reinforced blind flange allows for a longer life span than traditional designs.
