

# Oralite® Reflective Tape

GENERAL USE PRODUCT

**Oralite® Yellow and White Conspicuity Material**

Part Number: R4X150BY / R4X150BW

Oralite® conspicuity material is a high-visibility reflective tape that greatly improves visibility and safety at night, in bad weather, and in poorly lit environments. Oralite® conspicuity material is unmatched for recognition and safety.

## FEATURES & BENEFITS

- Prismatic reflective technology
- Vivid yellow and white colors available for enhanced daytime visibility
- Can be ordered in 150ft kiss-cut rolls or pre-cut 18" and 36" strips
- Single ply - .008 thin; no open-cell construction
- Adheres easily to flat and curved surfaces
- Retains reflective ability even when wet
- Meets all D.O.T. specs
- 10-year warranty, including high-pressure washing and mechanical washing.
- Stucki is an authorized representative of the Oralite® Corporation's reflective products for rail cars.

## REGULATION FRA 224 COMPLIANT

The FRA 224 regulations for rail cars require the application and use of retro-reflective tape on the sides of freight rolling stock to enhance the visibility of trains and freight cars during times of limited visibility.
